Sometimes even the best of friends need something new to say to each other...

to get mer exchance sealing back again.

Lots more software But I can't afford it all the time.

Lots of new programs. I know all mine backwards.

To swap notes with other people who love comput.

To know more about computers. And to use what I is

Most of all I want my computer to do more!

and I don't want

Or spend a fortune.
Or have to framp for miles to find it all

You get

An amizong new world of his and learning A system that puts more musicle into many popular reskes of micro Dezons of fire computer programs and score of exclusive software bergins Through your own phone line. A whole sophispitated 2-way communication system Preside "—the world's begoest leverable system, order your control. and you don't have to

spend e fortune to get it all now MCRONET 603, Scriptor Court, 155 Favringdon Roa London ECRI AMD Tell 01-278-3143

Two great games on one tape

DEFUSION Time is running out . . . you are only

A live bomb ticks menacingly as you try to get near enough to defuse it Unfortunately your path is littered with Booby Traps. To say nothing of a very determined Hit Man, who follows your every move as you race to

make a new path, but the will take the one thing vou haven't got ... time

at's slimy and nasty and es itself ... and you bu control the worm as it

filling the screen with its seaments. Take care to keen clear of your own tail as contact means certain doorn Only by exactly locating the Riack Seaments can you cros our own nath. But watch out for the Bluebottles. You must eat one to avoid crushing
